Please check it out and share it with your friends, family and neighbors.

Developed by Dr. John Knight of the Center for Adolescent Substance Abuse Research, Boston Children's Hospital and Harvard Medical School.

Frequently Asked Questions

Here are some common questions parents have about how to keep their teen-aged children safe from alcohol and drug use. Click each link to watch a video on each topic with adolescent substance abuse expert Dr. John Knight.

→ [How do I keep my kid safe at the after-prom party?](#)

But - I want to be a cool parent.

Doesn't my teen need to drink to be popular?

Should I lock up the alcohol at home?

Should I let my kid hang out at the park?

Is it OK to let my teen have a sip of a drink?

Question

It's prom season and I'm just wondering how to keep my daughter and her friends safe for the after-prom party?
