Give us your feedback

- Take a look at each yellow high-lighted activity, ask any clarifying questions first
- Brainstorm ideas:
  - What do you think the priority of this prevention activity should be?
  - What do you think we should do? Who should be involved, and how?
  - Identify any activities that you might want to be more actively involved with by writing your name on paper.

4:15 - 4:25 CTBH PSA and PSAs from Sanford Film Club

Next Coalition Meeting:

- December 6th 3-4:40, Revising Your Policies for Marijuana at YCCC in Wells
